REMARKS

The Notification indicates that Section 3 of the Appeal Brief filed by the Applicants did not state which claims were being appealed and that the Appeal Brief would be placed in compliance by filing a corrected Section 3 rather than an entire Appeal Brief. In compliance with the Notification, Applicants hereby submit the substitute Section 3 set forth above. The substitute Section 3 states that the appeal is being taken with respect to each of the claims rejected by the Examiner.

This response is believed to be fully responsive to the Notification. The reviewer is invited to telephone the undersigned at 415-576-0200 if there are any remaining matters impeding consideration of the Applicants' appeal.

Respectfully submitted,

Laurence J. Hyman
